# Automatic Switch P10 Outdoor Full Color Led Display AC220V 1R1G1B

#### **Basic Information**

. Place of Origin: SHENZHEN CHINA . Brand Name: SHENZHEN CHINA CCC IP68 CE · Certification: Model Number: outdoor SMD P10 • Minimum Order Quantity: Square Meters / 1 Piece • Price: USD14.3~26.76/PCS Wooden box, Flight Case · Packaging Details: • Delivery Time: 10 days after received deposit Payment Terms: L/C, D/P, T/T, Western Union . Supply Ability: 5000 Square Meters per Month

## **Product Specification**

• Encapsulation Of Led: SMD3535 Mudule Max Power 27W Consumption:

• Power Supply: 3.8 V/40A\*3pcs • Driving Device: Constant Drive IC

• Pixel Configuration: 1R1G1B • Pixel Density: 10000dots/ Driving Mode: 1/2 Scan • Module Size: 320x160mm

Highlight: P10 Outdoor Full Color Led Display, Outdoor Full Color Led Display AC220V,

Automatic Switch P10 Led Display

## **Product Description**

Automatic Switch P10 Outdoor Full Color Led Display 6500~7000cd/ AC220V 1R1G1B Pixel

#### Advantages:

- 1. Unique power PCB circuit design , decreasing rich voltage , consuming capacity
- 2.3.8V low voltage supply power, low power consumption , low heat , reducing operated cost largely
- 3. High-effect LED ,reducing VF value of LED ,current consumption , Promote Luminous Efficiency
- 4.high-effect Constant dirive IC , reduce driving circuitry cunsumption
- 5.CNC precision work standard cabinet, magnesium and aluminium material, more beautiful
- 6.Anti UV, anti deformation module suite to protect the screen body deformation. ,with rear cover , waterproof , dustproof , anticorrosion
- 7.Entirely new system integrated design , combined with automatic brightness control method , extending display screen lifespan

The outdoor LED Display is manufactured by using best quality material, purchased from most reputed vendors. The final products feature supreme quality and offers best outputs. High refresh rate and gray scale ensures the picture quality remains seamless.

## **Company information**

SHENZHEN SOL COLUR DISPLAY CO.,LTD. was established in December 2012,Is a leading LED display applications products and solutions provider,Specialized in LED research and development, manufacturing. Sales and servic,Dedicated to providing high-quality, high-performance LED applications and solutions for professional channel customers and end-users at home and abroad.

Our products have been widely used both at home and abroad. Since its foundation, we have become one of the best LED product and solution providers in the country through our unremitting efforts and have won the industry's highest recognition

The development of the company so far, the sales outlets throughout the country, the export products exported to more than 10 countries and regions, 3C, FCC, CE.IFA, IP65, IP68, IS9001, ROSH.AAA and other qualifications, product testing reports, patent certificate
